

As you can see from the picture, the Toiletries Drive was an overwhelming success!

Thanks to all of your contributions, we were able to fill a U-Haul van to the brim with items needed by our neighbors. Bags of necessities were delivered to folks living in PHA and CHRA properties. Because the need continues, we will host another Toiletries Drive during our Petitions Event.

Some of the most desired items are:

- Toilet paper
- Soap
- Shampoo and conditioner
- Toothbrushes and toothpaste
- Clorox wipes
- Disinfecting sprays
